5 Hamilton Street
OAKLEIGH VIC 3166

Dear Cameron

CONTRACT 8765A – CITY OF MELBOURNE PANEL OF APPROVED BLUESTONE SUPPLIERS

I refer to your registration and supporting documentation dated 4 April 2023 in response to City of Melbourne's public invitation to be considered as an approved pre-qualified supplier of bluestone products.

The evaluation of your submission has been finalised and Council is satisfied the bluestone products to be supplied by SAI Stone, as listed below, meets the requirements of the Technical Specification for Sawn bluestone paving, kerbing and gutterstone as detailed in the registration requirements.

I confirm that SAI Stone is approved as a City Of Melbourne pre-qualified bluestone supplier for the provision of bluestone products for Council streetscape and asset renewal projects and recommended supplier for public realm works undertaken in the municipality by third party developers and builders. The pre-qualification period is valid for three years from 3 August 2023.

Please note, however, this approval is conditional and if supplied bluestone products do not meet the Council's specification, the Council reserves the right to withdraw this approval.

Approved products:

- Bluestone pavers
- Bluestone kerb (straights and radials)
- Bluestone gutterstone
- Bluestone blocks
- Granite TGSIs

If you have any further queries regarding this matter, please contact Andrew Roche, Team Leader Infrastructure Design, email Andrew.Roche@melbourne.vic.gov.au.

Yours sincerely
